Welcome to December's newsletter. This is always a busy, but enjoyable month with plenty of exciting things going on in Nursery. We are launching our new website today and continue to develop it, adding school information as time goes on. Enjoy reviewing the photographs of recent events in school and upcoming Christmas festivity photos, as anticipations and excitement grows.

Thank you for taking time to enjoy special reading time with your child and reflect on their early language and reading development. **Story bags need to come back to nursery by every Friday or Monday at the latest and your child will receive a new one at the beginning of the week.** All story bags will be collected on Friday 16th December and given out again in the new term. Please return Getting Ready to Learn Questionnaires on Monday please—info sent Friday 25/11/22

This is the time of year when children are prone to sickness. Please only send your child to Nursery if they are feeling well. Nursery will not be enjoyable for them if they are feeling unwell. I would like to thank all parents for taking the time to telephone school if your child is absent.
